

## **GEARBOX EXCHANGE FOR 2v TWINS 1974-1996**

**Please note that this is a UK only service**

If you are worried about the complexity of overhauling your gearbox or just haven't the time, simply send it to us! We have exchange units on the shelf ready to be despatched to you. These boxes have been completely overhauled by us and rebuilt with all new bearings, seals & gaskets, selector springs, stainless steel drain /fill plugs/end cover bolts and new neutral switch. These units are re-shimmed by us and all work is performed to the highest standards, so that these gearboxes not only look new (bead blasted) but work as new. They benefit from our 12 month guarantee. Please remember to drain all the oil and remove the speedo drive gear + bush and gear change lever/kickstart lever (if fitted) before sending it to us and also insure it with the Post Office. Please note that we cannot despatch this gearbox until we are in receipt of your exchange unit and will not accept gearboxes with any external damage, if you are not sure please contact us beforehand.

**Fully reconditioned exchange gearbox:**

- 1. New seals & gasket.**
- 2. All Bearings replaced.**
- 3. Upgraded roller bearing and spring set for selector mechanism.**
- 4. New neutral light switch.**
- 5. Stainless bolts and plugs.**
- 6. Twelve month guarantee.**
